HAPPY BIRTHDAY HYTILE !!

HYTILE - 45 years old and still going strong . . .

Hytile opened its doors in 1965, and quickly became known for making innovative equipment that changed the way roof tilers performed their physically demanding jobs.

The development of the Hytile Cable Hoist meant it was no longer necessary for the men to load tiles onto their shoulders and climb up a ladder to deliver them to the roof. The Cable Hoist took much of the hard work out of tiling a roof and substantially cut the time it took to get the job done.

The Tilecutter, and later the Trimming Tray, are other innovations that have also had a substantial impact on the way the job of roof tiling is performed.

. . . and GARY - 40 years at Hytile and still going strong!

As well as making your job easier, Hytile has always provided you with fast, friendly, reliable service. One of the people responsible for this great service is Gary Luscombe. Gary started working at Hytile when he was 17 years

old, and this year marks his 40th at Hytile. All of our customers know Gary, and there's not one of them that he hasn't helped out over the years.

Thank you for your first 40 years here Gaz - "you know what you're doing" - and we look forward to your next 40!

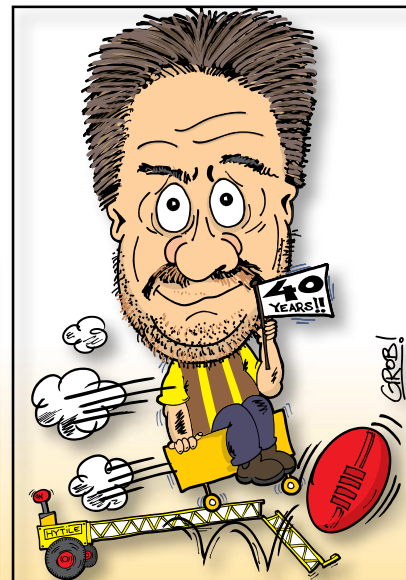

WAY BACK WHEN!

LOCAL REPAIRS IN THE WEST

Hytile Hoppers Crossing

The new Hytile outlet in Hoppers Crossing is providing our customers in the west with great local service, tagging and repairs for their equipment, as well as new equipment and a wide range of fixing supplies. Call in to see the boys - Darren, Doug and Steve - and check out the opening special while you're there. If you're in the market for a new machine you might also want to have a look at the two on display - a Rapid Return Cable Hoist and our newest model Belt Elevator that features a terrific easy-to-adjust bend 5 foot from the top.

And if you haven't tried out Hytile Flexible Pointing yet, pick some up for your next job. It's a terrific product that is durable, has great ease of handling, is available in a range of colours, and comes with a money-back guarantee. You won't be disappointed.

TILECUTTER

For a great job with less effort try our current model Tilecutter - it's the best one yet.

These are a couple of comments from some of our satisfied customers:

"I thought my old Hytile Tilecutter was great - until I began using my apprentice's newer model. I'll have one of those please!"

"With my new Hytile Tilecutter I can now cut in a roof quicker than my boss!"

RIDGE COVERS

Protect your bedding and pointing in wet weather with a Ridge Cover. Designed by a roof tiler for roof tilers, these heavy-duty covers are quick and easy to use.

Available in 7 metre lengths

ROOF TILING AWARDS NIGHT

The Holmesglen Institute of TAFE Roof Tiling awards night was held in May. This evening celebrates, recognizes and rewards outstanding achievement and excellence by students, and acknowledges the contributions of staff and industry partners to the success of the Institute.

Congratulations to the award winners - your career is off to a great start. Tradesmen who work hard and do a good job will always be in demand, so keep up the good work.

Ewald Alfis (Bavaria Roofing) and his award-winning apprentice Ezira Onesimo

Mike Chadwick (Holmesglen) and Peter Guthrie (Hytile) with award winners Josh Staker and Kerwin King.
